Remote · [email] · [phone] · [LinkedIn]

Summary

Hands-on Head of Marketing with 10+ years in B2B tech across US, UK, EU and MENA markets. Builds marketing from zero: positioning, go-to-market, websites, paid and organic lead generation, analytics and sales handoff. Runs an AI-native workflow, from market research and content to AEO/GEO optimization and AI-built internal tools, to deliver with lean teams and tight budgets. Delivered **130% of the lead plan** with **CPL down 63%** in Veeam's EMEA region, **doubled MQL-to-SQL conversion** with ABM at Ecommpay, grew **qualified inbound leads by 45%** at Diffco, and helped a space startup raise pre-seed and seed rounds through Station F.

Experience

OS MENA — Head of Marketing

Feb 2026 – Present · Dubai, UAE · *Odoo ERP implementation partner*

- Own brand, marketing and communications strategy for the MENA market.
- Run pre-sales enablement: presentations, proposals and structured materials for business development.

- Coordinate the internal team and external contractors across marketing and communications.
- Analyze campaign and customer data and turn findings into recommendations for leadership.
- Process inbound leads and maintain CRM data.

IT Medical — Head of Marketing

Apr 2024 – Feb 2026 · USA · *AI-powered healthcare software*

- Validated product-market fit for the company's MedTech offer, ran competitor analysis and built positioning from scratch.
- Designed and executed the go-to-market strategy for the company's SaaS launch in the US and UK.
- Launched a new website from scratch in 3 months, scoring **98% on SEO** and **95% on AEO/GEO**: built ICP and CJM, designed structure and content, hired in-house and agency contractors for design, development and proofreading.
- Built multi-channel lead generation (paid/organic, inbound/outbound) across Google Ads, LinkedIn, Bing, Reddit, Quora, directories, PR, email sequences and AI search (ChatGPT, Perplexity, Gemini); paused Facebook and X for low ROI.
- Set up analytics, dashboards and paid channels hands-on; as scope grew, hired and managed a PPC agency.
- **Reduced CPL by 30%** within 6 months of launch while sustaining a steady MQL/SQL flow.
- Generated **121 MQLs in 30 days** from third-party channels (directories, PR, newsletters), 3× the per-source average; Paid Search became the top SQL source with 24 SQLs per quarter, 2× the average.
- Reached **18% SQL-to-deal conversion**.
- Built the HubSpot pipeline with defined stages, touchpoints and SLAs for the marketing-to-sales handoff.
- Secured media placements in Forbes Technology Council, Business Insider, MedCity News and industry outlets.

Black Aerospace — Fractional Head of Marketing (part-time)

Nov 2023 – Sep 2024 · Dubai, UAE · *Aviation & aerospace, early-stage space launch startup*

- Found first clients and investors on a zero budget: **signed 2 MoUs with international space agencies** and **secured pre-seed and seed investors**.
- Got the company into the **Station F** accelerator, where the team later raised angel investment; applied to incubators, accelerators and VC programs.

- Opened a new revenue stream before product commercialization: launched MTCR-compliant training programs for emerging space agencies and **signed 3 preliminary contracts**.
- Built positioning and USP from scratch; grew a client and investor pipeline through cold outreach, space conferences and direct networking, with agencies booking calls straight from outreach emails.
- Produced pitch decks, investor materials, one-pagers, data room and technical brochures with engineers and designers.
- Recruited and managed the marketing team; planned and managed website development in-house; ran the LinkedIn content plan.
- Tools: Notion, Figma, Canva, Sales Navigator, ChatGPT, Claude, Gemini, Midjourney, Grammarly.

Ecommpay — Head of Growth Marketing

Jan 2023 – Dec 2023 · Riga, Latvia · *Payment services*

- Launched account-based marketing from scratch (ICP, targeting, programmatic one-to-many outreach, nurturing): **+60% engagement from target accounts** and **2× MQL-to-SQL conversion (10% → 20%) in 6 months**.
- Audited the marketing funnel and fixed leaks, improving lead quality and flow.
- Researched customers, competitors and market trends to define focus accounts and messaging; repositioned products based on customer feedback.
- Aligned marketing, product and sales around key account segments with a unified communication framework for top-tier clients.
- Ran email marketing and PPC; tested new channels with ROI-based budget allocation.
- Coordinated in-house experts and contractors producing decks, datasheets, use cases, customer stories, newsletters and ads; supported sales, content and events teams.

Diffco — Head of Marketing (hands-on)

Sep 2021 – Jan 2023 · USA · *Software development & staff augmentation*

- Built the North American (US and Canada) marketing system from scratch: brand promotion and PR strategy, media plan, processes and analytics.
- Grew **qualified inbound leads by 45% every six months** and **cut CPA by 30%** through targeting optimization and creative testing.
- Ran multi-channel campaigns across Google, Bing, Facebook, Twitter and LinkedIn with steady quarter-over-quarter ROI growth.

- Implemented analytics dashboards and ROI reporting adopted across departments; owned the marketing budget.
- Managed contractors for content, landing pages and lead magnets; project-managed the website.
- Supported pre-sales with tailored presentations and proposals; qualified inbound leads and maintained HubSpot CRM.

Dochery Branding — Head of Marketing (hands-on)

Jun 2020 – Sep 2021 · Saint Petersburg · *Branding agency (FMCG and alcohol brands)*

- Led the agency's digital transformation: market sizing (PAM–TAM–SAM–SOM) identified alcohol branding as the most profitable niche, which shaped the new positioning and portfolio.
- Ran CustDev surveys and interviews with loyal, lost and never-converted clients; segmented the audience with JTBD job stories; built CJMs.
- Built positioning (EST, RDB, RTB models) and the marketing and PR strategy, including expert placements for the director (Effie jury, RBC comments).
- Managed the new bilingual website (RU/EN) end to end: prototype, contractor team, portfolio content.
- Organized the agency's presence at Georgia Wine Expo and The Golden Town Conference: concept, booth, materials and negotiations, opening the agency's expansion into Georgia.
- Analyzed demand, unit economics and competitor pricing; prepared sales presentations and commercial proposals.

Veeam Software — Senior Digital Marketing Manager

Jan 2017 – May 2020 · *Enterprise software*

- Took over digital marketing for the EMEA region after it hit only 20–50% of quarterly quota in 2015–2017; hit 103% of quota and delivered **130% of the net new lead plan** with all countries within cost-per-result benchmarks.
- Q2 → Q3 2018 after the rebuild: **CPL −63%**, **conversion rate +193%**, conversions +28%, CTR +21%, while total spend fell by 52%.
- Moved attribution from first-click to custom multi-touch; cut non-converting channels (Baidu, Yahoo Japan, Xing), reallocated budget and switched to tCPA bidding.
- Audited and fixed landing pages, rebuilt guide and Explorer pages, and ran **100+ A/B tests** with Google Optimize.
- Managed **~$1M in ad budgets across 1,000+ campaigns** on Google, Bing, Facebook, Twitter, LinkedIn, Quora and Yandex.

- Led a team of 3 and onboarded new hires; built SMB positioning and CJMs; worked with product marketing, creative, HTML, content and localization teams.

ProfitKit — Digital Marketing Manager

Jan 2015 – Jan 2017 · Saint Petersburg · *Web development & digital agency*

- Ran SEO for up to 7 client websites at once; built semantic cores and competitor analyses.
- Brought target queries into Yandex TOP-3 and TOP-10; recovered sites from search engine penalties.
- Wrote briefs for and managed copywriters; wrote articles and meta tags; audited content and usability.
- Built backlink profiles and delivered monthly performance reports.
